

A SUMPTUOUS ESTATE

Lenny Kravitz

A view of the large living room with its chandelier made entirely of Swarovski crystals and an ottoman, both by KDI. The coffee table by Gabriella Crespi (b. 1922), the white leather sixties-style sofas designed for Ligne Roset by Michel Ducaroy (1925–2009), a pair of resin elephant tusks by Bartholo Pucci Collection, and—displayed on the mantelpiece—Muhammad Ali's boxing gloves and boots complete the decor.
